13. SCORING

- 13.1.** One completed race constitutes a series.
- 13.2.** A yacht's series score will be the total of all her race scores.
- 13.3.** Handicap yachts will be scored using their Fleet handicap ratings.
- 13.4.** All handicap yachts will be scored using Total Corrected Seconds Per Nautical Mile ("TCS/NM"). "TCS/NM" - is Time On Distance Corrected Time divided by Distance. It is an "average speed" standard that allows the ranking of boats that sail different length courses. To determine placement in both Division and Class race results, for example, the boat with the lowest TCS/NM for a specific race shall be scored first, the boat with the second-lowest TCS/NM shall be scored second, and so forth.
 - 13.4.1** In determining a boat's finish in a race in their Division, their TCS/NM would be compared with all the other boats in their Division. In determining a boat's finish in a race in their Class, their TCS/NM would be compared with all the other boats in their Class. A boat's finishing place in a race within their Division may be different from their finishing place in the same race within their Class.
- 13.5.** Spinnaker and Non-Spinnaker yachts in the same Division shall be scored as a single Division.
- 13.6.** All yachts registering and racing as CRF Day Racers shall be scored as part of a single Day Racer Division utilizing their CRF handicap and without regards to the Division listed on their CRF certificate.
- 13.7.** One-Design Fleets will be scored according to their Fleet agreements.
- 13.8.** Yachts eligible for the Classic Yachts Challenge Series will be scored for the Series in accordance with the 2023 CYCS Notice of Series.

14. TROPHIES & AWARDS: The following trophies and awards will be presented at the Saturday Awards Party:

- 14.1 The Camden Classics Cup Trophy**, a perpetual trophy, will be awarded to the yacht competing as a CRF Vintage or Classic Division yacht, except for Day Racers that are ineligible for the Camden Classics Cup Trophy, that is scored as a finisher in all the races sailed by her Class with the "Lowest Total Score."
 - 14.1.1** The Lowest Total Score of a competitor for the Camden Classics Cup Trophy competition shall be equal to the total corrected time in seconds for all races sailed by the

competitor divided by the total nautical miles of the courses sailed (as determined by the Race Committee) by the competitor.

14.1.2 In the event that one of the scheduled races for Classes in which yachts in the CRF Vintage and Classic Divisions are assigned are canceled or abandoned and not resailed (resulting in a discrepancy in the total number of races scored for each competitor), then the Lowest Total Score for the Camden Classics Cup Trophy shall be based on the TCS/NM for the one “same day” race that all boats in the Vintage and Classic Divisions did sail.

14.1.3 In the event that competitors for the Camden Classics Cup Trophy only have scores from different days of racing, the winner will be determined as if the competitors had raced on the same day.
