

CAMDEN YACHT CLUB
CAMDEN MAINE

A Challenge

July 29-30, 2022
Camden Harbor, Maine

In as much as the waters off Camden, Maine, are considered some of the finest sailing grounds in the world, and lest the mariners who frequent these waters find themselves accused of not sharing said waters with their fellow yachtswomen and yachtsmen, the officers of the Camden Yacht Club and the hosts of the Camden Classics Cup hereby challenge your yacht club to two days of racing, revelry, and rewards.

Whereas Mother Nature tends to bless the Penobscot Bay with fine weather at the close of the seventh month of each year, said officers and hosts will conduct such racing, open to all manner of sailing craft as defined in the Notice of Race, on July the thirtieth and July the thirty-first. The honor of your yacht club's timely response would be most appreciated, so that our esteemed crews might commence their preparations.

Respectfully,
Drew Lyman, Camden Classics Cup
Galen Todd, Fleet Captain, Camden Yacht Club
